……

AS FOR THE CURRENT CONDITION OF SPICE CITY, A SOURCE AT AN OBSERVATION POINT SEVERAL KILOMETERS AWAY REPORTS CONTINUOUS MINOR TREMORS WITH OCCASIONAL VIOLENT SHAKING, STRONG WINDS, AND OBJECTS FALLING FROM THE SKY, PREVENTING ANYONE FROM COMING CLOSER AS OF YET.

LIVE

BUILDINGS ARE STILL BEING DESTROYED ONE AFTER ANOTHER, AND ALL THE ROADS LEADING INTO THE CITY HAVE BEEN BLOCKADED. IT IS DIFFICULT FOR NEWS HELICOPTERS AND EMERGENCY VEHICLES TO APPROACH, SO THEY WILL CONTINUE TO STAND BY UNTIL THE SITUATION SETTLES DOWN.
